Real-Estate Skip Tracing & List Building

Zaid Mubbasher · B2B Lead Generation & Skip Tracing

For real-estate investors and wholesalers I pull absentee-owner, vacant, pre-foreclosure, tax-delinquent, probate and high-equity lists, then skip trace them for owner phones and emails. I run single lookups and bulk lists, and I have 5 years of experience. Data is formatted for your CRM or dialer.

WHAT YOU GET

- Owner name to phones (Mobile, Landline or VoIP, with status) and emails
- DNC flag where the tool provides it, plus a line-type report on request
- Absentee, vacant, pre-foreclosure, tax-delinquent, probate, high-equity and free & clear lists
- Entity research: LLC to managing member, trust to trustee
- Single lookups or bulk lists, deduped and ready for REsimpli, Podio, BatchDialer or Mojo

HOW I WORK

- A free 10-lead sample before you commit
- Email verification before delivery
- The format you need: Excel, CSV, Google Sheets or a CRM import
- Quick replies during US business hours

TOOLS I HAVE WORKED ON

PropStream, REISkip, DealMachine, BatchData, REsimpli, LeadSherpa. For B2B lists: Apollo.io, Hunter.io, RocketReach, Lusha, LinkedIn.
